

NOTICES OF SUBSTANTIVE POLICY STATEMENTS

The Administrative Procedure Act requires the publication of substantive policy statements issued by agencies (A.R.S. § 41-101(B)(14)). Substantive policy statements are written expressions which inform the general public of an agency's current approach to rule or regulation practice. A substantive policy statement does not include internal procedural documents which may only affect the internal procedures of the agency and does not impose additional requirements or penalties on regulated parties in accordance with A.R.S. Title 41.
