Authorizing statute: A.R.S. § 32-4103(A)(7)

Implementing statutes: A.R.S. § 32-4101 through A.R.S. § 32-4161

3. The effective date of the rules:

March 7, 2001

4. A list of all previous notices appearing in the Register addressing the final rule:

Notice of Rulemaking Docket Opening: 6 A.A.R. 2490, June 30, 2000

Notice of Proposed Rulemaking: 6 A.A.R. 4708, December 22, 2000

5. The name and address of agency personnel with whom persons may communicate regarding the rulemaking:

Name: Cedes Bruno

Address: Board of Athletic Training
5060 North 19th Avenue, Suite 209
Phoenix, Arizona 85015

Telephone: (602) 589-6337

Fax: (602) 589-8354

6. An explanation of the rule, including the agency's reason for initiating the rule:

The Arizona Board of Athletic Training is a new regulatory agency which is required to make rules to enforce A.R.S. § 32-4101 et. seq. The rules will be used in the Arizona Board of Athletic Training regulation of the athletic training industry in the state of Arizona.

7. A reference to any study that the agency relied on in its evaluation of or justification for the rule and where the public may obtain or review the study, all data underlying each study, any analysis of the study and other supporting material:

None

8. A showing of good cause why the rule is necessary to promote a statewide interest if the rule will diminish a previous grant of authority of a political subdivision of this date:

Not applicable

9. The summary of the economic, small business, and consumer impact:

There is minimal to no cost increase impact to small businesses or consumers as any and all costs related to these proposed rules are borne by the implementing agency or its licensees. The only cost element that might be identified would be for an applicant who applies for an Arizona State License from another athletic training licensing state and wants to have the National Examining Board notify the Arizona Board of Athletic Training of written proof that the applicant successfully passed the national examination requirement. The national examining board may charge a fee for notification which would be paid for by the licensee, not this Board. Because most athletic trainers work for larger entities such as sports teams and educational institutions, the Board does not anticipate consumers paying more for services.

10. A description of the changes between the proposed rules, including supplemental notices and final rules:

The changes between the proposed rules and final rules were corrections to typing errors and small grammatical changes. Changes were made at the suggestion of Governor's Regulatory Review Council staff to improve the clarity, conciseness, and understandability of the rules.

11. A summary of the principal comments and the agency response to them:

The only comment received by the Board was regarding a concern in providing official transcripts to the Board. The Board did not change the rule because it is required by A.R.S. § 32-4122(A)(3) to review the education of an applicant and, under the advice of the Assistant Attorney General, did not have the authority to delegate this procedure to the National Athletic Trainers' Association Board of Certification.

12. Any other matters prescribed by statute that are applicable to the specific agency or to any specific rule or class of rules:

None

13. Incorporations by reference and their location in the rules:
