

## NOTICES OF PUBLIC INFORMATION

Notices of Public Information contain corrections that agencies wish to make to their notices of rulemaking; miscellaneous rule-making information that does not fit into any other category of notice; and other types of information required by statute to be published in the *Register*. Because of the variety of material that is contained in a Notice of Public Information, the Office of the Secretary of State has not established a specific format for these notices.

Requires the rule's benefits to outweigh its probable costs and the agency to demonstrate it selected the least burdensome and costly alternative. (Strikes the requirement for this to be by clear and convincing evidence).

Expands the requirements for the Economic, Small Business and Consumer Impact Statement.

For the agency's five-year review, requires a determination that the rule imposes the least burden and cost to the regulated community.
