

NOTICES OF PROPOSED EXEMPT RULEMAKING

This section of the Arizona Administrative Register contains Notices of Proposed Exempt Rulemaking. An agency may be exempt from rulemaking standards outlined in the Arizona Administrative Procedures Act (APA).

An agency's exemption is listed in the Preamble of the rulemaking as specified under: A.R.S. §§ 41-1005 or 41-1057; or a specific statute; or if a rule is promulgated by the Corporation Commission, it is exempt from Attorney General review under a court decision as determined by the Commission.

If an agency determines it is exempt under the law or court decision, the law may still require publication of the Proposed Exempt Rulemaking in this section to solicit and review public comments on the rulemaking.

Some agencies, even though completely exempt, may still elect to follow certain provisions of the APA, such as circulating its exempt rulemaking for comment. If an agency chooses this option, our office encourages filing the notice with our office for publication in the Register.

Please note, if a statute dictates that an agency is completely exempt from the rulemaking process, the agency is authorized to file a Notice of Exempt Rulemaking.

In all cases, an agency must still follow the procedures as established by our office in order to have its rulemaking package published.

The Office of the Secretary of State is the filing office and publisher of these rules. Questions about the interpretation of the proposed exempt rule should be directed to the agency proposing them. Refer to Item #5 of the Preamble to contact the person charged with the rulemaking.
